1litre in bottle (no spray attachment)	185		
200ml spray bottle	10		

A note on Vitamin C pricing: In September I had some price shocks with vitamin C powder prices going up 70%! Apparently this is due to shortages. I have, however, tried to keep the prices sane by reducing my margins.

I do hope the pricing changes in the near future but don't bank on it.

PURE VITAMIN C POWDER (as **sodium ascorbate** which is retained longer in the body)

120g vitamin C powder in glass bottle	120		
200g vitamin C powder in zip lock pouch	175
